"It's a great day to be alive"--one of my favorite sayings as it sure beats the alternative! It's also a great time to be an active member of First United Methodist Church of Tallassee, Alabama.

It is simply amazing when you stop and think of all the different things this church accomplishes in a year's time. To demonstrate, we have prepared this nice brochure highlighting many of these activities. We have tried to compile a complete list and pictures, but we are sure we have missed a few along the way.

For this reason, we would like to ask for your help. We have put up a large activities sheet in the fellowship hall. We ask that you please share some of your favorite memories and activities from FUMC and please include pictures if you have any.

We would like for you to prayerfully consider these activities as you offer your financial support and your active participation in these and other activities in 2018.

In Christ we stand as one.

Sincerely,

George Barker
