Being a part of First United Methodist Church of Tallassee means more than just sitting in the pew on Sunday morning. You are an important part of the Body of Christ connected to other believers throughout the town, the state, and all over the world. You understand the value of sharing your faith with others. You commit to the Church your time, your talents, your gifts, your service, and your witness. FUMC Tallassee has many opportunities for you to become involved. Whether you choose to lead a Sunday School class or prepare meals for hungry children, your time and talents are needed here! We encourage you to prayerfully consider how you could best serve to the Glory of God.
